Fits Any Pump and Makes It Hump!

Fuller & Johnson Farm Pump Engine

You never saw anything like it before—nothing like it has ever been made. It makes a windmill pump into a perfect Power Pumping Plant in a few minutes, and besides pumping, it runs separator, churn, grindstone, or any machine ordinarily run by hand. You do the attaching yourself. Costs less than a windmill! It's well worth a special trip to learn about the most wonderful invention you ever heard of. Next time you are in town come in sure. We want to give you a catalog free.
